Edgies Teen Center is committed to empowering New York City teens ages 13 to 18, ensuring that they have the skills, resources, and opportunities to achieve their full potential. While in our program, Edgies teens receive individual guidance from highly qualified staff as well as access to immersive professional studios and academic enrichment. We aim to generate in participants, the skills and motivation necessary to succeed through quality educational, recreational and social programs.

## THE NEW EDGIES TEEN CENTER

## SCHEDULE OF CLASSES

### HOURS

M-F | 3PM-8PM

197 East Broadway  
New York, NY 10002

# CLASS DESCRIPTIONS

**Coding & Video-Game Design** Students learn how to conceptualize and create original video games from scratch! No prior experience is required. Our amazing partner E-line Media walks you through creating a theme, characters, and a story line and helps you develop coding and virtual-reality skills.

**Community Hour** Students take time to relax and enjoy a snack while getting to know their fellow Edgies members. Staff are available for students who have something on their mind or need support, advice, resources, or help problem-solving.

**Dance Studio:** Teens learn techniques and fundamentals through multiple styles of dance and creative movement expression. Instructors introduce the basic elements of dance in a positive way through mind, body, and spirit while promoting self-expression and creativity. Teens will work together to develop a performance piece for some of our events.

**Intramurals Basketball** Hone your skills on and off the court through this amazing collaboration with NIKE Ambassadors. Participants improve their strength, skill, speed, and confidence while building their leadership and collaborative abilities through a series of competitive tournaments.

**Keystone Club** Keystone Club provides leadership development opportunities for young people. Teens participate in activities in three focus areas: academic success, career preparation and community service. With the guidance of an adult advisor, teens learn how to have a positive impact on members, the Club and community.

**Open Gym** Teens can use this unstructured gym time to improve their jump shot, speed, and confidence on the court or jump into a scrimmage with friends! They can also unwind from their week while playing volleyball, jump rope, or dodgeball.

**SAT Prep** Students strengthen their test-taking skills to increase their chances of getting into their top college. This free intensive familiarizes students with SAT math and English content aligned to the newly redesigned SAT Exam.

# FALL 2019

Sessions consist of large group instruction with highly qualified SAT instructors and individualized mentoring sessions with volunteers from New York Cares. *Dinner is provided.*

**Senior Advisory** Tailored specifically for graduating high-school seniors, Senior Advisory walks students through the college-application process and allows them to attend free college financial-aid workshops. All senior class participants must select one day a week to attend (Tuesday through Thursday).

**Senior Mentoring** Volunteers work one-on-one with students throughout their college-application process. Students learn about volunteers' career trajectory and how to job search successfully. Volunteers include Educational Alliance staff, community members, and staff from corporate partner organizations such as Facebook, The New York Times, NYU, Barclays, Deloitte, and BlackRock. Students must choose a day for senior advisory to be eligible for senior mentoring. *Dinner is provided.*

**Sophomore Skills: (Starts in February)** Nail the PSAT! Students learn key testing strategies and sharpen their math and English skills in preparation for PSAT, SAT, and Regents exams. *Dinner is provided.*

**WeThrive** is a national organization equipping underestimated youth to own their future. Using entrepreneurship as a practice field, youth of under-resourced communities create a real business venture where they earn real revenues as they acquire the skills needed to succeed in the workforce of tomorrow.

**Youth LEAP** \*Teens can receive community service hours through this program. Resilience Advocacy Project's mission is to empower youth to become leaders in the fight against poverty. LEAP combines innovative youth-leadership training with targeted system-level advocacy initiatives to leverage the natural resilience of teens and support them in becoming catalysts for change in their community
